Freight Tarille. EDITORS APPEAL-I notice in you ssue of August 25th, where your board of commerce have, or intend to take action in regard to freights from the ust, mentioning the tariff from Mem-his to Fort Smith, also from St. Louis lowed by regro outbreaks in Mississippi, ence with Emperor William at Berlin for Fort Smith, being atmost the same. South Carolina and Kentucky. In every the Surging crowd which blocked the England of Memphis and instance the whites became masters of the situation and the negroes were distance the first account of the surging crowd which blocked the passage. During his route he was hustered in the situation and the negroes were distance the first account of the surging crowd which blocked the passage. During his route he was hustered in the situation and the negroes were distance the first account of the surging crowd which blocked the passage. During his route he was hustered in the situation and the negroes were distanced in the si district, at Marietta, Wednesday, nominated N. H. Van Vorhees for congress.

well as others. Memphis has up to the
destruction and utter extinction as a police officers, who hurried him down D. J. Richards, reported killed in a duel with Dr. Grey, in St. James's partials, Louisiana, recently, is not dead, and his physicians express hopes of his recovery.

The chipments of specie from New York to Europe Thursday amounted to two hundred, and seventeen thousand dollars—one hijudred and fifty thousand in gold coin.

Well as others. Memphis has up to the present time received the greater portion of the trade from this place, but it is loosing its stronghold very rapidly, and the only cause is high freights. Is it not out of all reason when we can get freights from St. Louis to this place for the result. The late outbreaks, though not resulting in a general collision, are significant of approaching two hundred, and seventeen thousand dollars—one hijudred and fifty thousand in gold coin.

Well as others. Memphis has up to the present time received the greater portion of the trade from this place, but it is loosing its stronghold very rapidly, and the only cause is high freights. Is it not out of all reason when we can get freights from St. Louis to this place for the future.

We are police officers, who burried him down race, and hence they are gradually drifting into a position of autsgonistic hate the was pushed toward the whites, never dreaming of the result. The late outbreaks, though not resulting in a general collision, are significant of approaching troubles, and it is well for us to calmly face the facts in the case and be prepared for the future.

NEW YORK, August 29.—Professor R. W. Raymond, in the course of his addouble? Memphis deserves to local trade of this country unless we are protected, and if Memphis does not do her duty soon she will get her deserts so far as this place is concerned. This is not wild and idle talk, but positive facts.

The following gentlemen were elected officers: Thomas B. Yancey, captain; tion was engaged all Thursday on its finance article, the general disposition wild and idle talk, but positive facts, being to provide for the payment of all For instance, we are compelled to pay For instance, we are compelled to pay officers: Thomas B. Yancey, captain; or bagging and the from Memphis S. E. Bracklin, first lieutenant: N. R.

EDITIORS APPEAL—A correspondent to the governor, and we have every reason to believe they will be forwarded in a few days.
